Your support, paired with the generosity of those before you, builds the United Way of Cayuga County and continues to create brighter tomorrows for your neighbors through all of life's stages. As we embark on the Next 100 Years of Living United, your United Way strives to meet our community members where they are to ensure access to education, health, financial stability, and safety net needs through our funded Member Agencies and new initiatives.

Last year, one out of two Cayuga County residents turned to a United Way funded Member Agency— that is 50% of YOUR community!

As the needs of Cayuga County residents change, your United Way of Cayuga County has been at the forefront to help our neighbors connect with critical programs and services.

Other Ways Your United Way Supports Cayuga County:

- Initiatives such as Countywide Personal Care Drive, Day of Caring, and Student United Way
- Rolling, year-round mini-grant opportunities for Cayuga County 501©3 nonprofits
- Administrator for Emergency Food & Shelter Program funding to county pantries, soup kitchens, and shelters
- Free tax preparation through CA\$H and MyFreeTaxes.com
- SingleCare discounts on prescription medications
- 211 Hotline, a free and confidential referral service
- ALICE, a study determining how much of our community is employed, but struggles to make ends meet
